

# Mulpleta Assist

Mulpleta Assist offers healthcare providers and patients a dedicated support team to help make Mulpleta easier to access and ensure that patients receive Mulpleta before their procedure.

## How Mulpleta Assist can help

### Manage the logistics

- Benefits investigation and prior authorization support
- Collaboration with specialty pharmacy
- Updates for healthcare providers and patients throughout the process

### Coordinate financial assistance

- Copay assistance for eligible commercially insured patients
- Patient assistance for eligible uninsured or underinsured patients

### Provide patient support

- Shipment of Mulpleta directly to patient's home
- On-time delivery before the procedure
- Calls to remind patients when to start taking Mulpleta

## Getting patients started on Mulpleta

1. Patient completes Section 1 (Patient Information) of the Mulpleta Prescription Enrollment Form
2. Healthcare provider completes and signs Sections 2–6 of the Mulpleta Prescription Enrollment Form
3. Healthcare provider faxes the completed Mulpleta Prescription Enrollment Form to *Mulpleta Assist* (1-866-204-9252)
